# Gospel Reflection

Jesus speaks of the freedom of the Good Shepherd in laying down his life. Faced with the needs of others, we can at times feel trapped into looking after them, caught by duty, obligation, or guilt. We can become like the hired hands doing a job without care for the person. Perhaps you have experienced both attitudes, caring for others under duress and caring by your free choice. What difference did it make when you chose to care for the other, even in circumstances where you had little option?
