Gospel Reflection

In The Joy of the Gospel, Pope Francis wrote: 'I invite all Christians, everywhere, at this very moment to a renewed personal encounter with Jesus Christ.' He goes on to suggest that when individuals, or groups, focus on Jesus there is an increase of energy and vitality. Have you seen this happen?

The parable also reminds us that we are not the source of our own life. It is a gift from God, from our parents, and from all, who have nourished us. Give thanks for those who have been a source of life for you.
