**Gospel Reflection**

In today's Gospel reading Jesus teaches that the meaning of his life, and the meaning of all human life, lies in being prepared to give of oneself. Perhaps you can identify with what Pope Francis says: 'Those who enjoy life most are those who leave security on the shore and become excited by the mission of communicating life to others' (Pope Francis, The Joy of the Gospel, n.10). 'This teaching is difficult', complained his hearers, including some of his own followers. Perhaps at times you also have wondered if you could go along with it. What helped you to overcome your resistance?
