## Gospel Reflection

What must I do to inherit eternal life? What must I do to be saved, to get into heaven? The way to get into heaven is to let God's thoughts become my thoughts, to let God's values become my values. The first truth about being saved is that it is a gift offered in God's kindness. It is something far beyond anything we could earn, merit or deserve. The second truth about being saved is that God's wonderful gift must be accepted with our co-operation. In the understanding of those times, the rich young man regarded his wealth as a sign of God's blessing. He felt entitled to hold onto his wealth. He was delighted to receive but not willing to give. He wanted to get into heaven on his conditions. He would not let the kingdom of heaven and its ideals into his way of thinking. His face fell at the challenge and he went away sad, for he was a man of great wealth.
