Thought for the Week

The Most Holy Body and Blood of Christ (Corpus Christi)

Jesus welcomed the crowd, taught them, and cured those in need of healing. Then the disciples became aware that the crowd were hungry and they suggested sending them away. Instead Jesus had a different idea and used the little they had to feed the crowd.

Jesus hands the five loaves and two fish over to them to distribute among the hungry crowd. It is the disciples' responsibility to feed the hungry, to give to those in need, and to love the very crowds that they had earlier suggested sending away.

The miracle is symbolic of the abundance of blessings coming to us from God through Jesus.

When we receive the body and blood of Jesus, it is a gift of love. Having received this gift of Love, we are expected to pass it on. There is more than enough bread for everyone.
