Thought for the Week

Those of us who are procrastinators will identify with today's Gospel. We have the best of intentions, but somehow our 'to do' list keeps getting pushed out until tomorrow and the next day, and the next week. When Jesus invites people to follow him, he gets some similar responses. The excuses given are far from feeble but Jesus has what sound like very harsh words for these predicaments. There is no time, there can be no excuses, this is more important.

Discipleship is a path that requires sacrifice. It is a path that means living in a new and different way and the time is now. There is work to be done, and it cannot wait. People who are hungry, homeless, marginalised or suffering cannot wait.
