**Thought for the Week**

Jesus sends out a much larger group ahead of him. He sends his followers out in pairs so that they can support one another. We too are sent out ahead of him, as parents, educators, nurses, social workers... In any team we need a type of synergy, which promotes collaboration as we strive for the same goals. We are all responsible for our Church, not just a select few. We all have different roles to play. In order for communities to grow and flourish the gifts of many people are needed. Our lives and actions will witness that 'God is very near' to us.
