THOUGHT FOR THE WEEK

During Lent we are invited to a new way of seeing the world. As our world faces huge environmental challenges we have become disconnected from nature and forgotten how deeply interconnected everything is. This calls for a deep conversion, a re-connection; to be filled again with a childlike sense of awe and wonder. Pope Francis writes: 'The entire material universe speaks of God's love From panoramic vistas to the tiniest living form, nature is a constant source of wonder and awe. It is also a continuing revelation of the divine. Alongside revelation in sacred Scripture, there is a divine manifestation in the blaze of the sun and the fall of night' (Laudato Si)
