MONTH OF THE HOLY SOULS: November is the Month set aside by the Church for us to remember all who have died, especially our loved ones. Our morning Mass on Tuesdays and Thursdays during November will be offered for the repose of the souls of our loved ones.

ALTAR SERVERS: Our thanks to Anne Cannon, together with Lorette Carter, for organising and running the training session for Altar Servers.

THE FORTHCOMING SYNOD OF THE UNIVERSAL CHURCH: The Church of is convoking a Synod. A principal aim of the Synod is to get the Parish together and listen to each other, so that we can, collectively, discover what the Spirit is asking of us in our mission to renew and strengthen the Faith in our Parish/Diocese. Bishop David has asked that a special prayer be said before the final blessing at each Mass for the success of the Synod. We have prepared a copy of this prayer and it will be said by the community each time we have Mass in the Parish.

THOUGHT FOR THE WEEK

We live in anxious times. Many are anxious about viruses, climate change and ageing in a rapidly changing world. Sharing our anxieties with loved ones in family and among trusted friends can help us to cope. But with the changing circumstances of mobile relationships, who can we depend on to throw us a lifeline when the chips are down?

Jesus lived in anxious times too. The local people of his time were oppressed by a harsh foreign army of Roman soldiers preparing to destroy Jerusalem with its beautiful Temple, the symbol of the peoples' hopes in their God. As well as sharing these anxieties, Jesus foresaw his own impending suffering and crucifixion, engineered by the local religious leaders and facilitated by the Roman forces of occupation. All these hope-sapping forebodings are intertwined in the words of Jesus in the complex tapestry of this Sunday's Gospel.

What sustained Jesus through it all? The Father's love was his sustaining lifeline. His constant awareness of this loving presence, frequently accessed through deep prayer and intimate chat, nurtured his fidelity to the task He had been sent to do. The lifeline task was to spread the Gospel of God's merciful friendship and his ongoing loving care of his people. This love was witnessed by Jesus' caring for the sick, by his welcome for sinners, by his patience with the ambitious disciples, by his counter-cultural respect for women, by his calling out injustice. Always his lifeline was his Father's love.

The antidote to anxiety is practical love in action through kindness to each other. Responding to the daily prompting of the Lord and to the providential circumstances of life around us each day, is the road to peace of mind and to building the Kingdom of God together. Chat intimately to the Father each day, as Jesus did.
