BAPTISM OF THE LORD – 11 JANUARY 2026				
SUNDAY MESSAGE FROM FR. SHYJU	HOLY MASS TIMES			
Today, we celebrate the Baptism of the Lord, the bridge between Jesus' hidden life and his public mission. While John offered a baptism of repentance for sinners, Jesus—the sinless one—humbled himself to stand in line with us. By entering the Jordan, he didn't receive sanctification from the water; rather, he sanctified the waters for us. In the Gospel of Matthew (Year A), we witness the heavens opening and the Spirit descending like a dove. The Father's voice declares: <i>"This is my beloved Son, with whom I am well pleased."</i> This moment is a blueprint for our own identity. Through our Baptism, the heavens open for us, too. We are no longer defined by our mistakes, our careers, or the world's expectations. We are defined by our belonging to God. As we begin Ordinary Time, let this feast remind us that we are called to live a life "well-pleasing" to the Father. We are empowered by the same Spirit to bring justice and light to a weary world. CASPAR PARISH DATA SYSTEM: 'Caspar' is a digital solution program which begins as a parish database. Many parishes across our diocese are already using Caspar successfully and reaping the many benefits from it. The Diocese is encouraging all the parishes in the diocese to use it. They say that the Caspar is a parish tool which they hope will improve efficiency of communications for the parish team and enable parishioners to feel valued, digitally. They state, that it is not a diocesan tool used centrally to communicate with parishioners. All individuals must give permission

through Caspar for any diocesan communications outside of those already in place. The Diocese hopes that this clarifies the purpose of Caspar for parishioners. Further, it hopes that use of the system will enable parishes to keep in contact with their parishioners in a more effective and efficient way and invites parishioners to sign up online. www.caspar.church/me?ID=55999.
